Education

Techno Main Salt Lake, Kolkata, WB	09/2020 - 06/2024
B.Tech in Information Technology	GPA: 8.11
S.K. +2 Vidyamandir Chakai, Jamui, BR	06/2018 - 03/2020
Intermediate, Science	62%
D.P.S Madhubani Bihar	03/2017
10th	9.6 CGPA

Computer proficiency:

Programming language- JAVA

Skills

JAVA, C, OOPS, SQL, DBMS, HTML, CSS

Projects Undertaken

Tech stack use- Machine learning python 3

Weather prediction using python

I have used the Gaussian naïve Bayes algorithm to predict the weather condition. I have used The Pandas library and LabelEncoder and GaussianNB in this project

Heart attack Risk prediction using machine learning

I have used Random forest algo which is a Supervised Machine Learning Algorithm that is used widely in Classification and Regression problems.

Experience

Geekonix Infocus photography club(TMSL)

Infocus Team | 08/2021 - 12/2022

- As a street & nature photographer.

Hobbies

Photography

Being watching web-series

Gaming
